“ We had a great time and Netherby Rocks was a terrific place to stay. Ocean Dunes and Cape Wickham courses were both amazing! We had to keep pinching ourselves at the beauty of the courses. King Island beef, crays and cheese were all devoured and the Currie historical museum was most interesting. ”

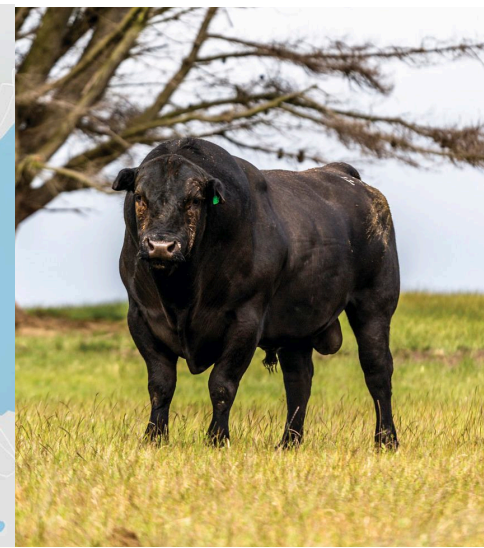

Ann-Maree E

“ We loved both courses (Ocean Dunes hardest course we had all played...) and again those views just didn't let up ! Our dinner at Oleada was divine - running out of adjectives...we devoured a 3kg crayfish back at the house for our final dinner last night which was another highlight. Such a beautiful island and the local people we engaged with were all fantastic. ”
